\* Available at Participants Convenience

Candidates are required to meet the minimum experience requirement as per [IANDT document CM01](#)

## Terms and Conditions

The maximum number of students per batch will be restricted to 8. Registration will be on the first come first serve basis. Registration will be confirmed only for students making full payment of the training fee. Additional students up to a maximum of 12 in a batch will be admitted if the last minute student(s) can bring their own digital Ultrasonic Flaw Detector, probes and cables.

Course and preparatory material will be supplied upon request only for students who register by paying full training fee. Each student is eligible for one set of hard copy notes only and students collecting the hard copy material should bring it with them for use during the training.

All classroom training sessions will be conducted in fully air-conditioned and well equipped classrooms.

The training will start at 8.00am and end at 6.30pm. There will be two coffee/tea breaks and a lunch break in-between.

Practical training will be conducted in well ventilated and well lit rooms.

IANDT will provide all students complimentary tea or coffee during breaks during the course days.
