Dear Valued Customer,

Greetings from International Academy of NDT.

We International Academy of NDT are always committed to take your careers forward in the best ways possible and are always innovating new ways to improve your career opportunities.

International Academy of NDT has received a notification from our accreditation Body (International Accreditation Services USA) to not to use the IAF Logo on the certificates w.e.f June 2024. Hence we have reissued your new certificate for you to use further. We request you to return back your existing certificate at your earliest convenience.

Please Feel Free to contact us anytime regarding any clarifications you may require in this regard.
