RENEWAL AND RECERTIFICATION OF LEVEL3 CERTIFICATES

Information to candidates applying for Renewal by Application at the end of the Five years after Initial Certification

1. General Information

1.1 The renewal application shall be presented within the six months before the certificate expiry date. To ensure continuity of certification, applicants are advised to ensure that their application reaches the Certification Records Office not later than 8 weeks before expiry.

1.2 In the event that a certificate has expired, the holder may apply for late renewal upto 12 months after the date of expiry (and no later) using form F-86 obtainable from www.iandtc.org. F-86 may also be used by individuals who recognize in advance that, for whatever reason, they will be unable to submit their application for renewal before the expiry date, in which case they may apply for deferred renewal. It is emphasized that acceptance of an application for late or deferred renewal/recertification does not extend the validity of the certificate concerned.

1.3 If renewal is applied for more than 12 months after expiry, initial by examinations shall be required.

Note: Late/deferred applications will incur an additional charge.

1.4 A candidate who applies for and does not meet the requirements of the credit system shall be recertified in accordance with section 4, procedure for recertification by the written examination. In the event of failure at the first attempt at recertification by examination, only one retest of recertification examination shall be allowed within 6 months of the date of application for recertification via the structured credit system.

1.5 The individual shall provide appropriate documented evidence, acceptable to the certification body, of their continued practical competence in the method or pass a Level 2 practical examination, as specified, except for the drafting of NDT instructions.

2. Procedure for renewal of level3 Certification

2.1. The certificate holder must submit to the Certification Records Office a completed F-84 application together with documentary evidence of a satisfactory test of visual acuity (meeting the published requirements of document F-83) conducted within the 12 months prior to renewal.

2.2. The applicant's employer shall verify that the certificate holder has applied the NDT method for which renewal is sought—satisfactorily and without* significant interruption during the period of validity of the certificate.

2.3. Applications must be made to on the Annex A form to the current issue of this document. One application is to be submitted for each sector/method of certificate for which renewal is sought, and the applicant is required to complete Annex A Parts A, B and C, the certificate holder's employer must complete Part D.

2.4. The completed application form Annex A is to be sent, together with:

- Documentary evidence of a satisfactory test of visual acuity recorded on F-83
